

To Whom It May Concern:

I am submitting this document request pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552 et seq. This request concerns the United States Environmental Protection Agency's ("EPA") files concerning the former Aluminum Company of America ("Alcoa") Edgewater Works facility, an approximate 9 acre parcel located at 700 River Road, Edgewater Borough, Bergen County, NJ and is referred to as block 74, lots, 1.02; 1.02 C000A; and Lot 1.02 C000B on the Tax Map of the Borough of Edgewater, NJ (the "Site"). In particular, pursuant to FOIA, I request records relating to the Site in the possession of the EPA for the following time periods and lots:

1. Records from 1999 through 2009 concerning the Site specific to block 74, lot 1.02;
2. Records from 2009 to the present day concerning the Site specific to block 74, lot 1.02 C000A; and
3. Records from 2009 to the present day concerning the Site specific to block 74, lot 1.02 C000B.

Specifically, I am requesting records relating to the Site in the possession of EPA Region 2 relating to remediation activities conducted at the site. I specifically seek copies of any and all documents, including but not limited to: memorandums, engineering evaluations, preliminary assessments, site inspections, sampling and analysis plans, site-specific policy decision documentation, data submitted by the public and/or potentially responsible parties ("PRPs") to the Site, guidance documents, administrative orders and consent decrees relevant to the response action, notice letters to/from PRPs, remedial investigation/feasibility study (workplan, final, and amendments), notices of violation and responses, notices of non-compliance,, site inspection reports, NJDEP information requests and responses, public comments and documents demonstrating the public's opportunity to participate in and comment on the selection of the response action, documents that were considered or relied upon in selecting the response action for the Site, other submissions or comments that were either received or drafted by the NJDEP and which concern the Site and the State of New Jersey's involvement.

I ask that you contact me at your earliest convenience to discuss arrangements for providing the requested documents. This firm will of course take responsibility for any necessary copying and/or shipping charges. Your prompt attention to this matter is greatly appreciated. Thank you for your anticipated cooperation.

Sincerely, Robert Paul La Gravenis
